Advancement to Candidacy

Complete coursework above and form your Thesis Committee. *It is recommend to Advance as soon as possible.* Advancement to Candidacy is valid for five years and must be done at least by the end of second week of the quarter you wish to graduate. Set up a meeting with the graduate coordinator to complete the paperwork needed and allow for two weeks to process. Please review the [Master Committee Membership Sheet](#) for more information.

Master's Thesis Defense

Attend the LAS formatting workshop the quarter you plan to defend. The Preparation and Submission Manual can be found [here](#). Ideally, schedule your defense a month in advance and submit your thesis to your committee for review. Set up a preliminary [meeting with Grad Division](#) prior to your defense. Defend and allow yourself two weeks after your defense to complete any final edits. Once that is complete, you will have one last meeting with Michelle to submit your final thesis and all the signed paperwork in order to officially complete the program. **Please note:** Students wishing to participate in the Graduation Commencement in spring must graduate by the end of Spring Quarter.
